PETITION UNDER 37 C.F.R. §1.181

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Applicant respectfully petition in accordance with 37 C.F.R. §1.181(a)(3) for consideration by the Examiner of the Information Disclosure Statement filed October 30, 2007.

On page 2, of the PTO Office Communication of November 19, 2007, it states that the Information Disclosure Statement filed October 30, 2007 would not be considered as the reference was not in English and no statement of relevance was included. However, MPEP §609.04(a)(III) states “[w]here the information listed is not in the English language, but was cited in a search report or other action by a foreign patent office in a counterpart foreign application, the requirement for a concise explanation of relevance can be satisfied by submitting an English-language version of the search report or action which indicates the

degree of relevance found by the foreign office. This may be an explanation of which portion of the reference is particularly relevant, to which claims it applies, or merely an "X", "Y", or "A" indication on a search report."

In the present case, in the IDS filed October 30, 2007 Applicants included an English language translation of the Japanese Office Action of which indicates the degree of relevance found by the foreign office for the references. Therefore, Applicants respectfully request that the IDS of October 30, 2007 be considered.

Accordingly, attached is a copy of the IDS, a copy of the PTO-1449 form filed with the IDS, as well as a copy of a date-stamped filing receipt evidencing the filing on October 30, 2007.

37 C.F.R. §1.181(a)(3) allows petition to invoke the supervisory authority of the Commissioner in appropriate circumstance. Accordingly, it is respectfully submitted that this Petition under 37 C.F.R. §1.181 be granted and that the Examiner consider the Information Disclosure Statement filed October 30, 2007.

Respectfully submitted,
